Ten Commandments for Good Living:

1. **Speak to People:** There is nothing as nice as a cheerful person.
2. **Smile at People:** It takes 72 muscles to frown, only 14 to smile.
3. **Call People:** The sweetest music to anyone's ears is the sound of his own name.
4. **Be Friendly and helpful.** You have to be a friend to have a friend.
5. **Be Cordial: Speak** and act as if everything you do is a genuine pleasure.
6. **Be Genuinely** interested in people - you can like everyone if you try.
7. **Be Generous** with praise - cautious with criticism.
8. **Be Considerate** with feelings of others.
9. **Be Alert to give advice** - what counts most in life is what we do for ones.
10. **Add to this a good sense of humor,** a big dose of patience and dash of humility and you will be rewarded many-fold.
