Spring Work Day: This Saturday, March 30th beginning at 10 a.m. The Bishop will be back on April 6th and we need to make sure the yard and other tasks are completed.

Here are some things we need to accomplish:

1. Need to move bricks and left over material to behind the Parish Center.
2. Need to make sure all work projects are finished: the sign, the painting of dry wall repairs, and the siding. Volunteers for these projects are helpful.
3. We need to finish organizing the interior of the parish center. Many boxes and items need a solution.
4. make sure yard is presentable after so much rain.

Other possible projects: It would be good if we can move the playground equipment from Father Steve's backyard onto the property. This will take several men and a good truck. It will also require a power wash.

Relocate any items left in the old building, if not already done.
Let us make a fun day with lots of people to work together

This Year's yard sale: Since we have many events in May the Annual Yard Sale will be the first weekend of June. We need a chair. Please consider serving in this way.

In May:

The first weekend of May will be the Mass of Thanksgiving offered by "Father" Richard Toboso, your new pastoral associate. We need to organize some type of reception.

The second weekend of May will be the Mass of Thanksgiving offered by "Father" Charles Aketch. We need a small reception after each Mass.

The third weekend of May will be our Masses to honor our 2019 Graduates from High School, College or Advanced Degrees beyond college.

The fourth weekend of May will be First Communion.

Now you know why the first weekend of June is the Yard sale

Unplanned in theatres **on March 29, 2019 THE STORY**

Unplanned is the inspiring true story of one woman's journey of transformation.

All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in.

Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at 40 Days for Life, and become one of the most ardent pro-life speakers in America. EXT "baby" to 53445 for sneak peek video
