**CRS Rice Bowl** (<https://www.crsricebowl.org/>) is Catholic Relief Services' Lenten faith-in-action program. It offers opportunities for individuals and families to engage daily with the spiritual pillars of Lent: prayer, fasting and almsgiving. And it's an opportunity for us to come together as a community and reflect on what it means to live out our Gospel call to go out and encounter those most in need.

During the 40 days of Lent, we will encounter the stories of people in Guatemala, Uganda, Gaza and other places around the world where CRS is at work. We'll be invited to eat simple, meatless meals each Friday from these countries. And, through the stories, we'll learn about the principles of Catholic social teaching—and ways we can put them into action during Lent and beyond.

We will reflect on how an encounter with resurrection can be transformative. We will see how our prayers, fasting and almsgiving can give hope to those worldwide who are most in need, especially those forced to flee their homes to find safety or better opportunities.

**National Collection for Aid to the Church in Central and Eastern Europe.** On Ash Wednesday, March 6<sup>th</sup>, a second collection will be taken up in support of the Church in Central and Eastern Europe that suffered so much under decades of harsh Soviet communist rule. Great need remains for the Church in many of these countries as they are still unable to support their own renewal and growth. Your donation will help with the training of seminarians and lay leaders, youth ministry, pastoral and catechetical centers, schools, church construction and renovation, and evangelization through Catholic media. Thank you for your generosity in support of the Church in Central and Eastern Europe.

**Unplanned** in theatres on March 29, 2019 THE STORY

Unplanned is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in. Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at 40 Days for Life, and become one of the most ardent pro-life speakers in America.
